Headteacher Mrs Roberta Harrison

Dear Parent / Carer

From **4 to 8 March 2024**, we are pleased to be celebrating **National Careers Week**. During this week we aim to enrich our Academy careers development programme with activities to ensure students get an important insight to the future of work and further learning. Better informed students result in better decision making.

We are holding 'Eat and Meet' sessions during this week. Students can sign up to meet with a variety of professionals from a range of industries. We will provide food and they can talk to our visitors about their career journey and current role. Our aim is to inspire students with these stories and inform them about jobs. We will also have a competition running throughout the week where students can guess the previous jobs of some of our staff members.

Here is the Eat and Meet timetable. Please encourage your son/daughter to sign up for a session during the week. The link to sign up has been posted to Satchel and sent to their school email. The spaces are limited so students will be notified by email if they have a space.
