6 November 2023

Dear Parent/Carer

Re: Parking on School Site

We appreciate your ongoing support for Harris Church of England Academy and the safety of our students and staff.

As part of our commitment to maintaining a safe environment within school premises, we have carried out a health and safety audit that has identified traffic and parking on site as an area of concern. Having vehicles on site causes potential additional safety hazards for our students and staff. Therefore, based on the audit feedback, parents can **no longer enter the Harris site either via Harris Drive or Mellish Road** with effect from **Monday 13th November 2023**.

If your child has a specific need, for example they are a wheelchair user, they will of course be exempt to this change. Please do not drop off at the end of Harris Drive or Mellish Road, as this will cause major congestion and increase the hazards to our students.

We understand this change will cause inconvenience for some parents, but please be assured that it is only being implemented to enhance the safety of the school community.

Thank you, for your understanding, and for your commitment to the safety of our school community. We look forward to continuing to provide a secure and safe environment for our students.

Yours faithfully

Mrs R Harrison
Headteacher
