Headteacher Mrs Roberta Harrison

8th November 2023

Dear Parents/Guardians,

We are excited to share an enriching educational opportunity for our students in year 9 at Harris.

Starting next week and concluding in January, we will be offering a 10-week Extra-Curricular Science Class in conjunction with the CREST Award program for our students. The CREST Award, which stands for Creativity in Science and Technology, is a renowned scheme that encourages student-led project work in the STEM (Science, Technology, Engineering, and Mathematics) fields.

Details of the Extra-Curricular Science Class and CREST Award program are as follows:

Duration: 10 weeks

Day: Every Wednesday (**Starting 15th November**)

Time: 3:30 - 4:30 pm

Commitment: Students are expected to attend all sessions every Wednesday.

Participation in this program and the pursuit of the CREST Award are voluntary and we have a limited number of places. We encourage interested students to express their interest by Friday 10th November using the attached google form below and students will find out if they have been successful in securing a place on Monday 13th November.

If you have any questions or concerns regarding the Extra-Curricular Science Class and CREST Award, please feel free to contact me at sced.c@harriscofeacademy.co.uk

Thank you for your ongoing support,

Kind Regards,

Carl Sced

Head of Science
