Headteacher Mrs Roberta Harrison

14 December 2023

Dear Year 11 Parents

I hope this letter finds you well. We would like to inform you of an upcoming adjustment to the Year 11 timetable that will take effect from January. In the run up to the summer exams we are pleased to confirm that students will receive an additional science lesson each week in place of one of their English lessons.

This was always the intended allocation of time; however, due to staffing constraints in September, we were unable to implement the preferred model of six lessons per week until now. We are excited to share that we have successfully recruited additional staff, allowing us to reinstate the original plan.

Starting in January, your child will benefit from more time to prepare for the six science exams, enabling us to recap topics from year 10 while also working on improving exam technique to ensure the best possible grade. We can assure you this change will not negatively impact English as the students have already covered the exam content and are now well into their exam revision, having had an additional English lesson in Year 10 and the Autumn Term of Year 11.

If you have any questions please feel free to contact me.

Yours faithfully

C Sced
