Headteacher Mrs Roberta Harrison

18 June 2024

Dear Parent/Carer

I hope you are all well. I am writing to you to confirm that all students should have a scientific calculator for the next academic year. The summer holidays would be an ideal opportunity to replace missing or damaged calculators. Pupil Premium students have been issued with a calculator.

It is my belief that having a scientific calculator increases a child's chances of success at GCSE, as two of the three papers are calculator based and if a child is not familiar with their calculator this could cause them to not perform as well as they otherwise could.

If any families, who did not qualify for school issued calculators, are struggling to meet this requirement then please let the Academy know and we will deal with each application on a case-by-case basis.

Kind Regards

G S Dhillon
Head of Mathematics
