Headteacher Mrs Roberta Harrison

September 2023

Dear Parent/Carer,

We are planning a trip for Year 10's to attend God and the Big Bang, which is being held at Coventry Cathedral. This trip is for Year 10 students only and is on 17 October during school time. Your child will need a packed lunch for the event, unless they are free schools meals and then a packed lunch will be provided for them.

The day explores the compatibility of science and faith, giving students the opportunity to discover some of life's biggest questions, engage in discussion with expert scientists of faith and enter into debate with their peers. They are equipped with the tools they need to form their own opinions and are encouraged to share these throughout the day, with student voices being front and centre of the workshops. Students will explore topics including curiosity, evidence and action from both scientific and faith perspectives and are encouraged to seek the benefit of approaching questions from an overlapping perspective.

Harris are fully funding the entry and travel costs for this event but spaces are very limited. Therefore if you would like your child to attend please click on the google link in the letter or cut and paste it in to your browser.
