Dear Parent/Carer

Changes to Reward Trips

I am writing to advise that we are changing the way students qualify to attend reward trips this year.

Historically, qualification has been dependent on attendance as well as behaviour. Although we cannot under-estimate the importance of attendance, we do recognise that there are occasions when students are too poorly to come to school. Therefore, this year reward trip qualification will be purely dependent on behaviour.

This academic year, we will be running two reward trips; one at Christmas and one at the end of the academic year. In order to qualify for the Christmas reward trip, students will need to have zero behaviour referrals during the Autumn Term. To qualify for the end of year reward trip, students will need to have zero behaviour referrals from the start of the Spring Term in January onwards.

Yours faithfully

Mr J Naylor
