The assessments will commence on Monday, 10th June, and conclude on Friday, 21st June. These assessments are crucial as they will determine your child's report, due at the end of the school year.

Additionally, we have provided a timetable of when each assessment will occur. This is to help you and your child plan effectively. We urge you to discuss with your child when their assessments are scheduled, to foster awareness and preparedness.

Please encourage your child to interact with their teachers and utilise available resources for their preparation. If you have any questions or require further information, feel free to contact individual teachers.

We are confident in our Year 7 students' abilities and are here to support them in achieving their best as we bring their first year at Harris to a close.
