Headteacher Mrs Roberta Harrison

Dear Parents and Carers of Year 10

Students have made a great start to their GCSE courses. To build on this, we want to take this early opportunity to emphasise the importance of having high-quality study guides to support your child's learning and revision at home. For simplicity and clarity, this letter contains information for all GCSE subjects.

Why Study Guides Are Important

GCSE study guides provide structured and accessible summaries of key topics, exam techniques, and practice questions that complement classroom teaching. They help students to consolidate their knowledge, improve their understanding of subject content, and build confidence ahead of their exams. Research shows that consistent, independent revision supported by well-designed materials significantly boosts student outcomes.

How to Purchase Revision Guides

To make it easier for families, we have arranged for many recommended GCSE study guides to be available for purchase through the school, at discounted rate. These guides can be ordered conveniently via WisePay, ensuring you receive the correct editions aligned with our curriculum.

Alternatively, the revision guides can be purchased independently from retailers and online stores. There are some titles that we are unable to order from our supplier, and these are detailed in a separate table overleaf.

It is always worth shopping around; many revision guides may be available on second hand selling sites.

The recommended revision guide titles for each subject are detailed overleaf to help you make informed choices.

Some departments have already provided Pupil Premium students with revision guides, so please check with your child before investigating the best price options.

We encourage all Year 10 students to take full advantage of these resources as part of their revision strategy. If you have any questions or require further support, please do not hesitate to contact the school.

Thank you for your continued support in helping your child achieve their best.

Yours faithfully

Chris Peirce
Deputy Headteacher
