Headteacher Mrs Roberta Harrison

Dear Parent/Carer

As part of our new Online Safety provision we are keen to support parents and carers when navigating their child's digital journey and offer advice, guidance and training. Each month parents will receive a Digital Newsletter including tips, links to national agencies and up to date research. The aim of this is so you can feel more confident and empowered in supporting your children with digital milestones. This month's theme is: **Screen time - How much is too much?** This will be sent out on Friday 4th October and will also be available on our website.

Alongside this we also have our new Instagram site dedicated to Online Safety ([@HarrisOnlineSafety](#)) which is now live. We currently have a range of vouchers to be awarded in a raffle to the first 100 followers, so please get following!

In December, I will be doing an Online Live Event for parents to join, which will feature some training for parents and a general Q&A around online safety. Dates and links will be sent out after half term for parents to sign up to the Key Stage 3 or Key Stage 4 session.

If you have any training requests or materials you would like to see featured, please get in touch via our social media page or our email: onlinesafety@harris.covmat.org

Yours faithfully

Lucy Hood
