Headteacher Mrs Roberta Harrison

25 November 2024

Dear Parents and Carers

Further to our previous letter. I am writing to remind you of important changes regarding our school's communication platform, that took place over October half term. During the transition it has become clear that the satchel APP will no longer provide parents with all the important information you are used to receiving and so after careful consideration, we have decided to transition from using Satchel to the My Child at School (MCAS) app.

If you haven't already done so, please download the MCAS app for parents which looks like this:

If you have not already registered, you should receive an email from mychildatschool.com with instructions on how to create a password. When setting it up you need to allow push notifications on otherwise you will not receive messages. Please delete the satchel APP as this will no longer be used by the Academy.

MCAS is a user-friendly platform that will allow us to enhance our communication with you.

Later we will look into the option of moving our payment system Wisepay on to the app. This is not something that will be available for now but we will be hoping to introduce that in May 2025. We will write to you again to confirm details of that.

We believe that this transition to MCAS will help us strengthen our partnership with you and ensure that you are well-informed and engaged in your child's educational journey.

We value your continued support and look forward to working together to provide the best possible educational experience for your child.

If you have any immediate questions or concerns, please do not hesitate to contact us.

Yours faithfully

Mrs R Harrison  
Headteacher
