

April 2025

Dear Parents and Carers,

As we move into the final stretch before the GCSE exams, we want to reassure you that we are doing everything we can to support your child during this important time. A range of targeted, high-impact revision sessions will be available throughout the exam period to help students feel confident and prepared.

We have made the decision not to offer study leave this year. This is because we are providing a carefully structured revision programme in school, designed to ensure that no student is left feeling unsure about how or what to revise. By keeping students in school, we can offer the expert guidance, resources, and routines that many need to stay focused and achieve their best.

Here is what we have put in place:

1. Morning of Each Exam

- Teachers will run an optional focused revision sessions each AM exam 08:00 – 08:45
- This gives students a calm, structured start with expert input on key topics calming any last-minute nerves and questions they might have

2. Period 3 Sessions for Afternoon Exams

- During Period 3, subject teachers will be taken off timetable and students will receive tailored sessions for those exams taking place in the afternoon

3. Afternoon Revision for the Following Day

- When students are not in exams, Period 5 and 6 will be used for targeted revision sessions led by their subject teachers for those exams that take place the following day
- This ensures they make the most of every opportunity in school to prepare for what comes next

The above is in addition to the Easter sessions that are taking place both in school and online.

We are proud of how hard our Year 11s are working, and we remain committed to giving them the best possible chance to succeed. Students received their candidate entries sheet, if there are any outstanding forms to be returned, please take a photo and email to exams@harris.covmat.org

Please find attached the revision timetable that we will be running during the exam window. If you have any questions, please don't hesitate to get in touch.
