Dear Parent/Carer

Y11 Leavers' Service

We would like to ask Y11 students their opinion on when best to hold their Leavers' Service this year. Traditionally, we would hold the service on the last day of the main exam, but the exam schedule this year is making this slightly more complicated.

Please ask your child to complete the GoogleForm to express which option they would prefer from the following options:

- a) Hold the service on Friday, 13th June after the Chemistry exam. This option means that students will be back in school for further exams week beginning 16th June.
- b) Hold the service on Friday, 20th June after the main exams are all finished. This option means students returning to school just for the service, as there are no exams on this day.

Thank you for your continued support.

Yours faithfully
