Dear Parents/Carers

Subject: **Opportunity: Supported extended learning club**

Here at Harris Church of England Academy we are keen to support the parents/carers of the students at our school and the students themselves to achieve their potential. With this in mind, I would like to introduce to you our extended learning club, where students can complete their extended learning with the support of our graduate teaching assistants.

The club is available to all students from 15:25 until 16:30 every day of the week and will be held in the Inclusion and Achievement department. There is no need to formally sign up; students can just turn up for some or all of the available afternoons and complete their extended learning, or revise for assessments, before going home.

I hope that your son/daughter considers taking this opportunity for support to ensure that their extended learning is completed in a timely manner and also help them to work towards achieving their potential.

If you have any questions, please do not hesitate to contact me.

Thank you for your continued support in helping our students achieve their potential.

Yours faithfully

Mrs E Hummel
