

Bienvenido!

Welcome to GCSE Spanish!

Over the course of the next 2 years you will be studying various aspects of the Spanish language and culture through a range of topics, some of which you will already have touched upon at KS3:

- Identity and Relationships
- Healthy Lifestyle
- Education and Work
- Free Time Activities
- Customs and Festivals
- Travel and Tourism
- Media and Celebrity
- Environment

As usual, we will be practising the four main skills of language learning; speaking, listening, reading and writing in preparation for the GCSE exams - you will have one exam for each skill and each paper is worth 25% of the GCSE. Your teacher will explain the course structure in more detail in September.

In preparation for Year 10, vocabulary will be the most important area to focus on. Your vocabulary booklets from Year 8 and 9 will be useful again! The MFL department aims to set up an account on a language learning platform for each GCSE class with key words to practise and revise ready for September.

Any exposure to the Spanish language is beneficial! If you have the opportunity to watch any Spanish films over the summer (with English subtitles) this would be a great idea - Netflix, Amazon Prime and other streaming platforms offer several different options. Alternatively, you could watch an English speaking film that you know with Spanish audio or Spanish subtitles.

This year, Year 10 and 11 students enjoyed a fantastic trip to Paris and next year, German students will be going to Berlin. Watch this space for information on a potential Spanish trip!

Early in Year 10 the MFL department will show you a range of CGP/Pearson revisions guides, workbooks and knowledge organisers that you will be able to buy at a discounted price and which you will be able to use and refer to throughout the course.
