

Dear Parent/Carer,

We are pleased to inform you that, starting in January, all Year 10 students will have the opportunity to participate in individual Careers Meetings with myself or an external adviser from Career Seekers Direct. These meetings are designed to support your child in exploring their future career options and making informed decisions about their educational pathways.

Unifrog for Career Development

To enhance this process, we will be utilising Unifrog, a comprehensive online platform that helps students explore career opportunities, develop their skills, and plan their future. Unifrog provides a wealth of resources, including career profiles, university information, and apprenticeship opportunities, all tailored to your child's interests and aspirations. The parent code to sign up for Unifrog is HACEparent and you can sign up [here](#).

Appointment Details

You will receive an email with the specific date and time of your child's Careers Meeting. During this meeting, your child will discuss their career interests, set goals, and create an action plan. This action plan will be available for to view in your child's Unifrog account, allowing you to stay informed and support their progress.

Preparing for the Careers Guidance Meeting

To make the most of the Careers Meeting, we recommend the following tips for your child:

1. **Reflect on Interests and Strengths:** Encourage your child to think about what subjects they enjoy and excel in, as well as any hobbies or extracurricular activities they are passionate about.
2. **Research Career Options:** Using Unifrog, your child can explore different career paths and the qualifications required for each. This will help them come prepared with ideas and questions.
3. **Set Goals:** Discuss with your child what they hope to achieve in the short and long term. Setting clear goals can provide direction and motivation.
4. **Prepare Questions:** Encourage your child to write down any questions they have about their future career options, work experience or educational pathways.

We believe these Careers Meetings will be a valuable step in your child's journey towards a successful and fulfilling future. If you have any questions or need further information, please do not hesitate to contact us.

Yours sincerely,

Anna Wilson
Careers Adviser
