Headteacher Mrs Roberta Harrison

December 2024

Dear Parent/Carer,

We are pleased to share a wonderful opportunity for our students to take part in a special creative competition celebrating the 10-year anniversary of Jaguar Land Rover (JLR) China's Dream Fund Partnership.

The Dream Fund Partnership was established in 2014 to support young people in China. Following a devastating earthquake that year, JLR China contributed significantly to the rebuilding of a school in Zhaotong, China, which was subsequently named JLR Hope School. Over the last decade, JLR has continued to provide resources to support the education and development of the children at this school.

To mark this milestone, JLR is inviting students from its partner schools, including ours, to participate in the 'Postcards of Hope' programme. This initiative encourages students to express their hopes and dreams for the future through artwork, allowing them to share their creativity without the need for words or language barriers. The selected postcards will be showcased at a special in-person celebration event at the British Motor Museum on Thursday, 23rd January 2025.

Key details of the competition are as follows:

- Who can participate? This is aimed at students from Years 7-9 (although all year groups are welcome to enter).
- What to do? Create a drawing that reflects your hopes and dreams for the future. Use no words, just images (templates are attached for optional use.)
- Deadline for entries: Thursday, 9th January 2025.
- Exciting Opportunity: The most creative entries may be selected to attend the celebration event at the British Motor Museum.

This is an inspiring opportunity for students to engage in a meaningful activity while developing their creative skills. We encourage all students to take part and showcase their imagination and vision for the future.

We look forward to seeing the wonderful artwork your children create and celebrating this special occasion together!

Kind regards,
Anna Wilson
