Dear Parents/Carers

Fundraising Cake Sale

I am writing to you today to advise of a fundraising cake sale that we will be holding in school on Friday, 13 December.

'Blessings for Others' is an organisation created by a Year 11 student, for the children of the Koforidua Ashanti Region of Ghana.

Blessing says:

'I am grateful for the opportunities I've had in life and I want to provide as much help as I possibly can for my fellow brothers and sisters in Ghana, in order for them to have a chance at a bright future. My goals for this foundation are to address the educational disparities that many children face in Ghana. I understand that education is a fundamental right and a key factor in personal and community development. By establishing this organisation, I'm not only helping individual children but also contributing to the broader goal of improving society as a whole. I hope to inspire others to take action and make a change, especially people around my age that want to make an impact on society for the benefit of others'

We ask parents not to donate home-baked cakes, as we have students with allergies in school and we need to be able to identify ingredients. Please ask your child to drop any donations of bought cakes to the main school reception. Please also remember to send your child with small change on Friday, 13 December, so that they can buy a cake from the sale, should they wish to do so.

Supporting this student will not only provide them with a valuable opportunity for personal and skill development, but also demonstrate a commitment to fostering excellence across all areas of education, extra-curricular activities and the importance of developing the whole child.

Thank you in advance for your support.

Yours faithfully

Mrs R Harrison
