Coventry City college Trip

Our dedicated Y8 Career Ambassadors visited Coventry City College to explore Post 16 pathways. Ambassadors will be sharing information with students through the library.

Touring the campus and learning about college life.
Identifying the vocational courses available and their impressive workshops.

Capital One Trip

Year 8 students visited Capital One headquarters in Nottingham, taking part in employability skills workshops, taking a guided tour and exploring the roles within a credit card company.

Students were asked to invent a future payment system. Teams presented their ideas and they were certainly impressive. The winning teams received Gift vouchers and confectionary.

LISI Aerospace

NATIONAL MANUFACTURING DAY

Y10 students were invited to visit Lisi Aerospace, touring the workshops, developing their knowledge around engineering and watching the robots at work. Students explored the manufacturing process of the millions of screws and bolts that keep planes together and protected from lighting strikes.

UNIFROG

Career Guidance has taken place for some of our Y10 students. All students are to receive a guidance meeting by February 2027. These reports can be accessed through the student online portal **UNIFROG**. Parents/guardians are encouraged to open their own online **UNIFROG** account. All students have access to **UNIFROG** and parents can copy the link below into their browser to set up their own dedicated account.
